ALLGEMEINE REGELN FÜR DEN WERKSCHEN IN FLINS:

Group members must respect safety instructions during all of the visit.

The visit has to be undertaken by bus or minibus (max. 3 vehicles) at your expense.
The transport used by your group will be necessary for the whole visit which lasts 2 and half hours.
The group must include 20 people maximum (group leaders including).
The visit is approximately 3 km (1.8 miles) in length so we highly recommend to wear comfortable or safety shoes.
For safety reasons ; high-heels and open shoes are prohibited.

Correct clothing is required inside the plant:

- **no shorts, bermudas or skirts are strictly forbidden during the visit**
- **arms, shoulders and legs must be covered for safety reasons**

Animals are not allowed on the site.
Minors below 18 years old are prohibited in the plant.

Interpreters, if needed, will be at your expense.

Use of cameras and video devices is strictly forbidden on the site.
Mobile phones are to be switched off for the whole duration of the visit.

ATTENTION

According to unscheduled activities of the site, Renault Flins plant reserves the right to cancel any previously scheduled visit without prior notice or reason.
